I have been humbled by the response I have received for my Power of 10 Campaign. So far the majority of the response has come from all my ex SAAF colleges and friends. I am blessed to have worked with such a fine bunch of supportive people. It's all your support and encouragement that keeps me going.

I don't really know how to say Thank You because these two words seem inadequate. If the support continues then I am almost "afraid" to say that this dream will become a reality with 2011. I say "afraid" because s up until now it has just been a dream.

Thank You, Thank You, Thank You, and Thank You
