I huge thank you must go out to Radio 702 and John Robbie for the chat we had yesterday and the continued discussion this morning.

I would appreciate it if every one out there that was on the scene of the accident or who were involved in some way to please contact me and share their story with me.

I would like to use all the stories on the website to colour in the picture of what happened on the day of the accident. The more the merrier so guys and girls please contact me as soon as possible with your info. arthur@projectdreamwings.co.za or arthur@piercy.co.za

Then if you feel you can get involved with our fundraising event in March 2012 then please contact Andrew Wood in Durban cell 083 294 0555 or email andrew@andrewwoodproperties.co.za

If you want to know more about the Mirage F1 simulator mentioned this morning the go to the website www.dooley.co.za for more detail.
