I have been blessed with fantastic friends who are planning to go the extra mile for me so that I can realize my dreams. How does one find the words to thank them enough for the support?

I met Andrew Wood through a mutual friend Brian Wilson. Andrew and I have not even been face to face. We've been communicating via Face Book, email and cell phone.

Andrew and his company [Andrew Wood Properties](#) , have taken it upon themselves and his network of friends to arrange a golf day and a formal sit down dinner as a fundraising initiative for Project Dreamwings.

On the 8th of March 2012 they are planning a golf day at the Beachwood Golf course neighbouring Virginia Airport in Durban. Then on the 9th of March 2012 they are planning a formal dinner that will be held in 15 Squadron's hangar. (Yes I know it's a chopper jock hangout and I will live with it
)

Andrew is requesting that if you would like to get involve in one or both of the events then you must please contact him directly on Andrew@andrewwoodproperties.co.za or on the cell 083 2940555.

If you have a 4 ball that would like to play, wish to sponsor a hole or prizes for the golf day or you wish to book a corporate table for the dinner then please contact them immediately.

We are also looking for corporates to come onboard as major sponsors of either of the two fundraising events or as the title sponsors of Project Dreamwings with extensive branding possibilities.

This is a dual fundraising event as the monies raised will be used for Project Dreamwings and the Kwazulu-Natal Quadriplegic Association.
